"The Darling of the Gods."
The story of "The Darling of the Gods," David Belasco's drama of old Japan, which comes to the Grand Saturday evening, Oct. 19, is too strong and virile to allow of the piece being advertised as a "spectacle," but, nevertheless, in point of beauty and weight the scenic investiture of the play is sufficient to make the average offering billed as "massive" and "spectacular" look small.

Kara, in "The Darling of the Gods."

tawdry and inconsequent by comparison. Two baggage cars of the greatest capacity obtainable are required to transport the scenic and property effects from one place to another, and the company working staff, numbering more than fifty, must needs have two passenger coaches to travel in anything like comfort. Those who are familiar with railroad freight and passenger rates might work out some interesting results by calculating the expense of moving "The Darling of the Gods" around the country.

New "Uncle Tom's Cabin."
Al W. Martin's grand and newest revival of "Uncle Tom's Cabin," is billed for the Grand Friday matinee and night, Oct. 18. It has been brought to a scale of magnificence by Mr. Martin that has caused press, public and pulpit to sing loud its praise. Taking the piece as it was originally, Mr. Martin gives it a dressing of complete and realistic scenery, put the principal roles in the hands of competent white actors, engaged a strong chorus to impersonate the negroes of the South, and to add to the picture and sing and dance in the levee scenes, etc. In fact, he has done everything to make the performance acceptable to the public. Matinee prices, 10 and 25 cents, night, 25, 35, 50 and 75 cents.

John Furlong was sent over for ten days for being drunk on Sunday, and G. A. Wine paid \$10 and costs for the same offense. Riley Ables went on a rampage Saturday night while drunk for which he paid \$10 and costs. Al Brown who was arrested on the charge of assaulting and beating another fellow in Pike street Saturday night was discharged as not guilty. Bond of \$4.60 deposited by William Calhoun, who was arrested in the Street Saturday evening for being drunk, was forfeited.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that cure and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and slow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
